

Web Access to Inspection Results

There are two ways of receiving the inspection results for any LDD inspections conducted.

1. An e-mail will be sent to the permittee/or their designee indicating the inspection results.
2. The inspection results will be available on KIVANET for viewing.

In order to access the inspection results on KIVANET, use the following procedure:

1. Click on the following link: <http://kivaweb.kcmo.org/kivanet/2/index.cfm>
2. Click the "Permitting System" Link

3. Click the "Permit Type and Number" Link

4. Enter the Permit Type and Number, then click search
